Early Learning Center  
Donation for Scholarship Fund**

*Vision: A loving community where children are trained up in the ways of the Lord.*

*Mission: We walk with families to grow in Christ and inspire a love of learning in their young children.*

Because we believe early childhood is the most important time for intellectual and spiritual growth, the Early Learning Center at Granger Community Church is committed to helping children experience and understand the love of God throughout this brief time in their lives.

The future of any society rests on its ability to foster healthy development in its next generation. Through Christ, we engage our community in an educational movement to captivate the hearts and minds of our children now and for generations to come.

Your donation helps make that happen for families whose children would not be able to attend the Early Learning Center without financial assistance.
