

There was a Little Turtle

There was a little turtle

Make a fist with one hand

Who lived in a box.

Cover the fist with the other hand

He swam in the water,

Swimming motion, alternating hands

And he climbed on the rocks.

*Make a fist with one hand and walk across
the knuckles with the fingers of the other hand*

He snapped at the minnow,

On the word "snapped," reach out and quickly put all fingertips together

He snapped at a flea,

He snapped at a mosquito,

And he snapped at me!

He caught the minnow.

On the word "caught," clap hands once

He caught the flea.

He caught the mosquito.

But he didn't catch me!

Point to yourself and shake head "no"
